WAYS TO WIN BIG

1. Scratch three windows at the top of the gamecard revealing points.

Once you have 600 points collected, send in your cards to be entered into a series of exciting drawings including merchandise, vacation packages and big cash! Win up to One Million Dollars!

2. Scratch off the square at the bottom to reveal a letter or the word "entry".

If you scratch "entry" it's worth another entry into all Jackpot drawings. Collect, trade and spell "JACKPOT" with your gamecard letters and you will be entered three times! Triple or quadruple your odds of winning by sending in as many entries as you can!
